

## 2020 NCPMA REGIONAL SPRING WORKSHOPS

The North Carolina Pest Management Association (NCPMA), in cooperation with the North Carolina State University Extension Service and the North Carolina Department of Agriculture and Consumer Services, will be hosting seven regional workshops for pest management professionals in February and March 2020.

Presentations will be given by Patty Alder, NCSU-Entomology Participants will earn two (2) CCUs: 1-P and 1-W phase. Spring Workshops are free for NCPMA members as an exclusive benefit to those that are part of the association and \$25 for non-members. All participants must register to attend. Fees include refreshments and any handout materials. *Note: Workshop locations should only be contacted with questions about directions.*

P-phase: Insecticide Resistance in Urban Pests and Ways to Combat and Prevent It

W-phase: Wood-destroying insects: ID and Management
